

SRK STUD SERVICE CONTRACT

1. The female must have proof of Hip Certification (OFA).
2. The female must be correct to the standard and free of any disqualifying faults.
3. Veterinarian certification of health and breeding soundness of the bitch, including all current vaccinations, negative brucellosis. All test results to accompany the female at time of shipping.
4. The Stud Fee is \$1,500.00 and must be paid in full before breeding.
5. Three (3) natural breedings will be attempted. If for any reason this cannot be achieved, the female will be artificially inseminated for the breeding.
6. All transportation charges and veterinary expense (should veterinary services be required for the health and well-being of the female), are the responsibility of the owner of the female. There are no boarding charges for a stay of seven (7) days or less; after that, charges will apply.
7. The owner of the female certifies that this female has not been exposed to any other stud dog prior to her arrival and that she will be protected from exposure upon her return home.
8. Should the female fail to whelp three (3) puppies, one additional service will be given. No stud fee will be refunded, in whole or in part.
 - a. In the event of a return breeding due to conditions listed in #8, if the stud dog dies or is not available for any reasons, the female's owner can choose another stud dog as a replacement.
9. If owner of said female chooses chilled semen, the expenses for the collection and the shipping of semen will be paid for by the owner of female. Also, all veterinary costs will be paid for by the owner of said female. If no puppies are whelped from this breeding, #8 does not apply. No additional stud service will be supplied, and no stud fee will be refunded in whole or in part. Chilled semen has a low success rate; therefore #8 does not apply.
